

Dear Girls Inc. Friend and Supporter:

**Help Make the Championship Touchdown!**

We are looking for auction items for our **6<sup>th</sup> Annual TOTALLY TAILGATE event on Saturday, September 9, 2023** at Michael's On East. All proceeds from this event go towards our Mission of "Inspiring all girls to be Strong, Smart and Bold." Girls Inc. focuses on the development of the "whole girl," equipping girls with the skills they need to successfully navigate gender, economic and social barriers, and grow into healthy, educated and economically independent adults, and strong leaders. Our girl focused, research-based programs bolster social, emotional, physical, and mental health to give girls the support and tools they need to achieve their goals boldly and confidently.
